

SUN SAFETY!

The weather appears to be continuing to stay hot and sunny and we would therefore like to remind parents of the importance of protecting your children as far as possible from the harmful effects of the sun.

Please could ALL children bring a sun hat/cap to school as they will be expected to wear one to play outside and could parents ensure that plenty of sun cream has been applied to their child/children before coming to school.

Please ensure that your child brings a water bottle to school. These can be refilled from the drinking fountains on site.

Many thanks for your co-operation in this matter.

Ann Griffin
