Committee: Active Travel Crew

Date	Action	Impact
Sept 22 - July 23	Meet with crew every other week.	Encourages awareness of sustainable and active travel. Children use management skills to create and run different activities throughout the school. Get fitter through cycling and scooting. Be creative through making videos to use on social media. Being part of a group impacts positively on children's wellbeing and mental health boosting self confidence. It is fun!!
22.9.22	Dr Bike workshop	Children's (in all year groups) bikes are checked for safety so that the bikes are safe to travel back and forth from school. Year 6 crew learnt new bike maintenance skills with Abi from Sustarns.
10.10.22	Bike To School Week	Builds activity into the whole family's routine. Boosts mental health and wellbeing. A great way to start the day. Helps ease congestion outside the school gates. Good for the environment. Increases children's road safety awareness and it lets you connect with the

		world around you.
10.10.22	Be Seen Fashion Show	Making children safer - As dark nights draw in children who are actively travelling to school should ensure that they can be seen. Fun activity and raises awareness of being noticed by other road users. Leadership and organisational skills for Bike Crew.
10.10.22	Be Seen Be Bright assembly delivered to all PS by the crew.	Leadership and presentation skills for Bike Crew.
21.12.22	Bling Your Bike/Scooter	Boosts health and wellbeing, A great way to start the day. Helps ease congestion outside school gates. Fun activity and creates lots of joy!! Leadership, creative and organisational skills for Bike Crew.
20.3.23	Big walk and wheel	Eases congestion at the school gates. Boosts health and wellbeing. Good for the environment. Leadership and organisational skills for Bike Crew.
31.3.23	Bike Bus	Eases congestion at the school gates. Boosts health and wellbeing. Good for the environment. A great way to start the day. Encourages a sense of community. Leadership and organisational skills for Bike Crew.
4.4.23	Bike Breakfast	Healthy way to start the day. Eases congestion at the

		school gates. Boosts health and wellbeing. Good for the environment. Leadership and organisational skills for Bike Crew.
4.4.23	Smoothie Workshop	Bike crew were able to experience science in use. The energy from their cycling generated the power for the smoothie maker to work.
15.5.23	Walk to school week	Inclusion, friendship, health, mindfulness and sustainability.
25.5.23	Bike Bus	
15.6.23	Bike Ride - Year 6
