

# Summary School Improvement Plan 25-26

## **Target 1: Learning and Teaching**

### **Speaking and Listening**

- To improve the quality of listening skills of pupils; in particular how pupils' listening skills improve their ability to comprehend, synthesise and respond to others in talk-based tasks, using Voice 21 strategies.

### **Reading**

- To improve reading outcomes; with a particular focus on higher order reading skills.
- To enhance the reading culture around the school.

### **Writing**

- To improve fluency skills such as spelling and handwriting. To improve editing skills.

### **Good to Excellent teaching**

- To improve standard of teaching to ensure excellent teaching and assessment is embedded across the school.

## **Target 2: Wellbeing**

### **Attendance**

- Improve the attendance of pupils that are eligible for free school meals.

## **Target 3: Leadership**

### **New LAST team, governors and AoLE leadership:**

- To ensure all members of newly formed teams demonstrate effective leadership of their area
