

Weekly Parent/Carer Communication 23.01.2026

1. Key Information

Parent Consultations Week Beginning Monday 9th February

Parent meetings will be held face to face in school the week commencing 9th February 2026. A link with instructions on how to book your 10 minute meeting will be sent out via Parentmail next week.

Bikes and scooters on school site

We have had a huge improvement in pupils pushing bikes and scooters on school site, so we would like to thank all parents and carers for their support in helping us move forward with this.

To keep this improvement, we'd like to politely remind the school community that all bikes and scooters ridden to school must be walked once on school grounds and taken directly to the appropriate bike shed. For the safety of all students, families, and staff, riding bikes or scooters on school grounds is not permitted at any time, by either children or adults. We thank you for your support and cooperation in reinforcing these safety measures with your children.

2. Key Dates For Next Week:
